INFANT PACIFIER PRODUCTS

Soft shield pacifier protects baby's skin from bruises and marks and comes in assorted colors. Orthodontic exerciser has a latex, symmetrical orthodontic nipple that is always positioned correctly with an inwardly curved, reversible shield. Flexi-rings are filled with safe, edible gelatin for a firmer feel. Flexi-rings have over-sized vent holes on a "comfort-curved" shield which helps drain saliva away from baby's tender skin.

INFANT SEAT KRADLE

Infant car seat, with baby inside, rests snugly in the mesh sling, leaning against the back of the frame. Safety straps secure the infant car seat in place. Durable polyethylene frame is strong, but lightweight, easy to clean, resists odors and has no sharp corners. One piece, nylon mesh is extremely durable and can be removed for washing when necessary. Legs are tipped with nonskid rubber caps to protect the floor. Locking hinge assembly provides extra strength and stability. Open, the Kradle takes up no more floor space than a conventional chair. Made in the U.S.A.
